Parking on School Grounds

A reminder that both the front and back school car parks are for staff and authorised use only. While I realise parking can be at a premium, particularly at 9:00am and 3:00pm, private vehicles are not permitted to enter the school grounds to park or drop off/pick up students. I thank you for your cooperation with this matter.

Good News

Students in our K – 2 classes participated in the Responsible Pet Education Program on Monday and I received a wonderful email this morning complimenting both the students and the teachers from their Sydney Regional Consultant. The email finished with “..... your school was wonderful and a real pleasure to visit.” Congratulations to Miss Collas and everyone involved.

2014 Classes

All students will remain in their 2013 classes when they return at the beginning of next year. Once student numbers, including Kindergarten, have been finalised, 2014 classes will be formed. Hopefully, this should be within the first week.

If you will be moving address during the holidays and/or will not be returning to Sadleir next year please contact the office as soon as possible. This assists with planning and ensures that our records are up to date.
