Principal's Report

Cross Country

What a wonderful day we had for our school cross country carnival. It was pleasing to see our students participating so enthusiastically and trying their very best. Thank you to Miss Calderwood for her outstanding organisation and to the parents who came and supported their child/ren. A squad of 32 students has now been chosen to represent our school at the district carnival next week, and we wish them all the best.

Parking

Parking around schools is often very congested and hectic both in the morning and afternoon with parents trying to get as close as possible to the school gates to pick up and drop off their children. I would implore all parents and carers to please take the time and effort to drop off and pick up children in a safe and responsible manner. Taking a few extra minutes or walking a few additional metres for the sake of keeping all children safe is a small thing to do. No-one would want to live with the knowledge that their thoughtless action had, in any way, caused a child harm. I thank the majority of parents who consistently do the right thing because they understand the importance of keeping all our children safe, and for teaching them responsible behaviour in the process. **School driveways are not an appropriate place to stop, or even pull into in order to turn around.**

Mother's Day Stall

Thank you to the ladies from the P & C for organising the recent Mother's Day Stall. It was wonderful to see so many smiling faces as the children looked for that perfect gift for mum. Approximately \$450 was raised on the day, and this money will be used to support the students at our school.

Stewart House Used Clothing Collection

A reminder that Stewart House used clothing bags should be returned to the school office by this Friday. Thank you to the families who have already done so.

Attendance Tip

Wherever possible, try and book dental and medical appointments after school. When this is not possible, ensure your child attends school before and after the appointment and advise the school in advance.

Pocket's Day Out

One sunny day there was a whale named Pocket. He lived in the ocean far away. One day, he went swimming to see his grandma.

Suddenly, he was lost! He had taken a wrong turn. Pocket was not looking where he was going and he got stuck on the sand.

Just then, Jae found Pocket on the sand. He pushed Pocket back into the water. Pocket felt happy because Jae saved him.
