## Dear Parents and Carers

It has been a great two weeks at Sadleir Public School. For the first time for a number of years we had 3 students represent us at the District Swimming Carnival. We also participated in the NSW Student Leadership Conference and Regional Debating Coaching Clinic for the first time. Congratulations to all the students who represented our school so well.

## Reading with your child at home

When your children see you reading and writing in everyday life – whether reading for pleasure, sharing a story with them or making a shopping list – it teaches them that they are useful skills. Here are some things you can do at home to help your kids with reading.

Next Thursday we will be hosting a special reading and literacy workshop for parents. At the workshop parents will learn about reading at school and how to

help their children improve their reading at home. The workshop will begin at 9:15am in the library.

## Student Leadership Report

On the 4<sup>th</sup> March, our Senior SRC representatives travelled to the Olympic Park Sports Centre for the GRIP Student Leadership Conference.

There were over 1200 students at the conference. It wasn't like any other conference, it was entertaining and educational. We learnt how to become a better leader using generosity and how to make plans for our school to become a better place. We learnt how to take the opportunity to stand up for what is right and help others to become good leaders. The Senior SRC had a great time working with students from other schools.
