Dear parents and carers

Congratulations to all of our students for a great day at the cross country last Wednesday. Thank you to Miss Yuen, Mrs Murray and Mrs Do for their co-ordination of this event for the community. I was impressed to see many of our students running and giving it their best effort.

A huge thanks to the P&C for organising the Mothers' Day stall. Money raised will go to the school.

A couple of weeks ago our school canteen was visited by the health inspector from Liverpool Council. We passed the inspection with flying colours. Congratulations to the canteen helpers, the P&C and our cleaners.

All our Year 3 and 5 students participated in NAPLAN this week. NAPLAN provides some valuable information to the school concerning strengths and

areas for improvement. Results will be sent to parents and carers and the school later in the year.

will provide students with an opportunity to engage
more deeply in a variety of texts appropriate to their
levels. Please note that this is an optional activity and
students can join if they would like to. Stay tuned for
more updates.

State Dance Workshop

On Monday the 11th May I went to the Year 4 State Dance Workshop at the Sydney Dance Company. It was very fun and we did lots of activities like the cat dance. We pretended we were cats and did funny things that a cat does. The other class was a little bit tricky but not too hard. In that class we had to do lots of high kicks, turns and tricks. I learnt that your body is parallel when you stand very still with your feet together. The teacher told me that the room I danced in is where famous people come and learn too. I had a great time at the Sydney Dance Company.
