- Meet the Teacher
- School Banking

22 Feb

- Preschool Rating and Assessment visit
- Play Group

23 Feb

- Road Safety Parent Workshop

24 Feb

Dear parents and carers,

The start of the year has been extremely busy but the students have done a great job settling into their new classes. Our school numbers increased and we have been able to form an additional class. We now have 7 infants, 6 primary and 3 support classes as well as 2 preschool groups. Over 350 students are now enrolled at Sadleir PS.

We have a number of staff changes. Mr Hutchinson has left to relieve as Principal at Villa-wood North PS, Miss Collas has been successful in her application for a position on the senior leadership team at Revesby PS and Miss Yuen and Calderwood have moved to schools close to home. We will miss this group but wish them well with their careers.

Meet The Teacher Afternoon

The meet the teacher sessions will be held next Tuesday 21 February. This is a great opportunity to meet the staff, find out about some of the programs that will be running this year as well as learning new ways to help your child's learning at home. Session 1 starts at 3:15pm. More details to follow.

Assembly

Assembly will revert to Friday from next week. The afternoon session was very hot and uncomfortable in the hall.

School Nurse

Leanne Stap has started work at Sadleir Primary School as a Health Coordinator/ school nurse. She will be working here on Wednesdays but can be contacted anytime Mon- Thursday on **0472872142**. Her role is to assist students and their families with any health issues that are impacting on the child's ability to learn. This could be vision, hearing, physical health social and emotional well being and mental health. She will help to refer and coordinate into programs, services and medical appointments. She will help to address any barriers into services such as access, financial, cultural and can be an advocate for the child and their family.

If you would like to have a chat about my role and any assistance you may require please speak to your child's teacher to arrange, or call on her mobile.

Hot, Hot, Hot!

We wait so long for the summer to arrive, but it's not without its dangers. Keep kids safe and maximize your outdoor play-time with these tips.

- Send children to school with a water bottle (it can be a good idea to freeze the water overnight so it's nice and cold the next day),
- Pack a hat in your child's school bag, and
- Applying sunscreen before they head off to school.

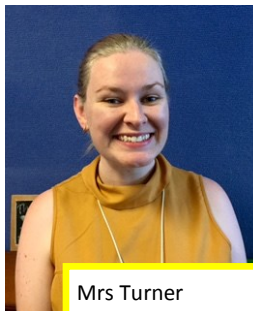

New Staff 2017

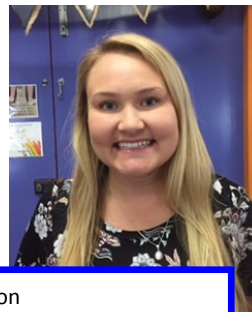

Mrs Carruthers
Deputy Principal/Instructional
Leader.

Mrs Farkas
Instructional Leader/Deputy
Principal

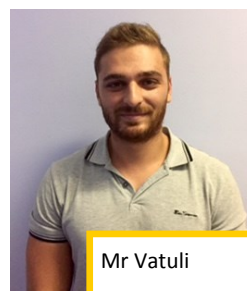

Mrs Turner

CASULA POWERHOUSE

The beloved, award-winning children's book comes to the stage.

When: 23 MAR—24 MAR | 11:00am & 6:00pm

Hold my hand and keep me safe

It takes many years for young children to be able to make safe decisions independently whenever cars and other vehicles are about – near roads, footpaths, car parks, driveways, bicycle tracks, unfenced yards, homes and farms.

The best way to protect children near vehicles is to always hold their hands.

When you are out and about with children, remember to:

- hold their hands to keep them safe
- be consistent – “If we don’t hold hands, we don’t go out!”
- help children to hold onto a pram, your bag or clothing if your hand is not available. If possible, put your hand over the child’s hand for added security
- give lots of positive feedback and encouragement when children hold your hand
- be a safe role model and talk with the children in your care about all the things you do to keep safe
- listen carefully to what children say to check their understanding of the road safety messages. Children may be able to say the words but this doesn’t mean they understand them or can put them into practice.

Hold their hands until they are at least 8 years old. Closely and actively supervise children up to at least the age of 10 years.

Watching children is not enough!

Injuries to young children often happen:

- when a child is walking with an adult, but not holding hands
- when a child is close to home, playing in a quiet street or driveway that is considered safe from traffic
- when a supervising adult is unaware a child has slipped away
- when a child is playing in an unfenced play area
- when a relative or family friend is driving off or returning home.

Boys are twice as likely to be killed or injured as pedestrians than girls.

Adults are responsible for the safety of young children in and near traffic.

Canteen Reminders

Stickybeaks™
THE ALL ROUNDER
Re-usable Everyday Lunch Bags!!

Used to order lunch from the canteen!!

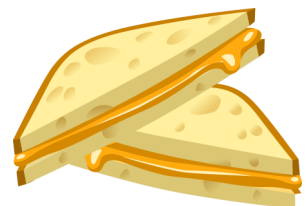

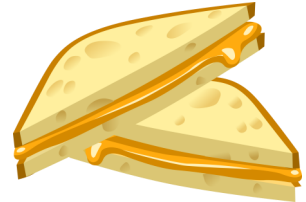

Keeps food **COLD!!**

Keeps food **HOT!!**

Used as an everyday lunch cooler bag!!

PRICE \$12.50

Attention All Parents!!

Our canteen is a vital part of our school. It relies on **AMAZING** volunteers  who co-ordinate everything from stock to staff. It also provides essential funds for the school. We are asking for any parents who are able to volunteer

for a few hours

Mon, Wed, Friday-
8.30-11.30 OR 8.30-2.15

every couple of weeks to

come and join our great group of dedicated parents. It's a chance to meet new parents, join our community and of course, keep our canteen running for our kids!

THANK YOU SOOOOOOOO MUCH !!!!

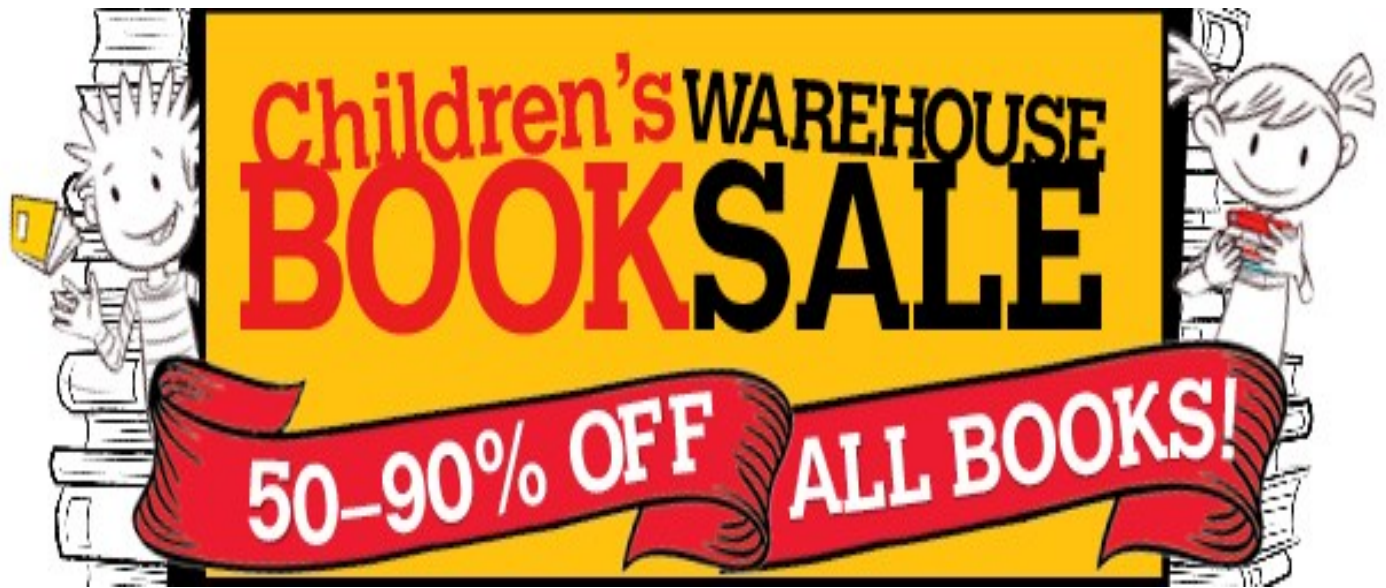

**Please fill in your details at the Front Office
or contact**

Layla - Canteen
