Education

Deputy Principal Report

Over the past week I have spent time in many classrooms within our school. I was extremely impressed with the learning occurring within each of these classrooms and I was particularly pleased as I listened to the learning conversations between many of the students. All children were actively engaged in their learning task and eagerly explained to me what they were learning and why they were learning this new skill.

Our teachers work hard after school hours to make sure their lessons are engaging and meet the need of each student within their classroom. They invest in many hours of professional learning to ensure they are the best teachers possible and it was lovely to see that the students valued and appreciated this also.

This was further reinforced for me when I read through some of our student feedback surveys. Students in Years 4-6 overwhelmingly commented that they valued school and felt that the classroom instruction was well-organised, with a clear purpose, and with immediate and appropriate feedback that helps them learn.

I look forward to visiting more classrooms over the coming weeks.

ANZAC Day Assembly

On 26th of March we had a Anzac Memorial Assembly.

A huge thank you, to all the community members who attended the Assembly particularly our special guest from Liverpool RSL, Keith Brannox.

NAPLAN Starts on Tuesday 9 May

Around 1.1 million students in Years 3, 5, 7 and 9 will participate in the annual National Assessment Program – Literacy and Numeracy (NAPLAN) starting on 9 May 2017. As NAPLAN enters its tenth year of testing, the tests continue to be an important tool for parents, educators and the public to see if Australia's children are meeting essential literacy and numeracy standards.

NAPLAN will be held between 9 and 11 May 2017.

K-6 Cross Country

Sadleir successfully held the annual Cross Country Carnival on Wednesday 3rd May. It was wonderful to see students wearing their house colours, house captains leading their houses and cheering their peers. Students demonstrated excellent house spirit and perseverance in their races. The winning house will be announce within the next few weeks during Friday's assembly.

Thank you to all the parents, carers and teachers who attended and supported all our amazing students. Congratulation to all the students who participated in the carnival, you all did yourselves proud.

Kindergarten Learning

Kindergarten are back in action!

Term 2 has commenced and Kindergarten are back and busy at work. We have enjoyed talking, listening and sharing about our adventures during the holidays. Our first two weeks of school consisted of lots of learning and revising all that we had learnt before the break! We were also very excited and honoured to attend our very first ANZAC day ceremony at the special assembly.

This term, we are very excited to continue learning how to read, write and count. We also look forward to learning about 'Families' in History and 'Living things' in Science. Term 2 will be a fun-filled time full of learning, laughter and growth!

Stage 3 Learning

On Thursday the 4th May, Green Valley Police Youth Liaison officer, Mary Watson, visited Sadleir Public School to discuss cyber safety with Stage Three. Students were informed and spoken to, about the acceptable use of social media, how to stay safe on the internet and how to deal with cyber bullying.

Staying Safe

Helping kids stay safe online is something many parents are concerned about. Knowing about the basics of the online world can help parents be ahead of the game should they need to manage a negative situation.

You can help keep your kids safe online using these three basic strategies.

1. Communicate openly with your kids. It's not possible to supervise your kids 24/7 so finding ways to establish and maintain trust is really valuable. Talk to them about their online activities, from chatting about their favourite websites to asking who they are talking to and if they are having any online issues. Give them strategies to deal with upsetting online content, from turning off the screen, telling a trusted adult, and showing them how to block and report people.

Research the age ratings for the games and apps your child uses so you can determine age appropriateness and suitability.

2. Use technology tools to keep them safe. There are so many technological advances that can enhance the experience for your child online and help keep them safe, both within the site or app and for their devices. Help your child to set up the privacy settings on all sites and devices they use. Activate safety features on web browsers to protect your devices and personal information. Show your child how to block and report users or pages on the sites they use.

3. Encourage safe and responsible behavior. Setting rules for your child's internet use and

BREAKFAST CLUB

Breakfast Club is on again for
Term 2!

Students are having fun making
their own healthy breakfast and
socialising with their friends.
It's a great way to start their
day!

PLAY GROUP

We've had so much fun in Playgroup this week!
We have been sliding & building sandcastles in
Preschool.

Our favourite number this week was the number ..
