- Students years 1-6 return

Thursday 30 January:

- Kindy students as per time
on individual notes
- Preschool Group 2
Dragonflies

WEEK 2:

Monday 3 February:

- Preschool Group 1
Grasshoppers

Principal Report

Dear parents and carers,

The year 6 farewell at Mounties was a fantastic event. 36 staff members attended which was the highest. Students all had a great time and were extremely well mannered and well behaved.

On behalf of all staff, I wish Year 6 a happy and successful future. The group has shown great friendship and kindness to each other and will be fondly remembered.

Last Tuesday night I had the privilege of attending the Notables Showcase. 10 students presented, in depth, outstanding work focusing on famous people including Neil Armstrong, Walt Disney, Charlie Teo and Dr Martin Luther King. The student's work was of the highest quality. Thank you to Mrs Carruthers and Mrs Morabito for facilitating the Notables Project and to all the parents and friends who supported the students on the night.

I wish everyone a fantastic holiday break. School will recommence for students Years 1-6 on Wednesday 29th January and Kindy on Thursday 30th January.

Matthew Ralph
Principal

Stage 1

Ranger Jamie Excursion

In Week 4, Term 3, Stage 1 went to Stanwell Park Reserve to learn about ways in which people interact with and care for places.

We learnt about native animals, natural and built features of Stanwell Park Reserve and the connections people have to different places. Throughout the day we had a lot of fun learning about the environment and participating in some of the activities that were organised for us.

presenting BIG SCIENCE BIG FUN

The Fizzics Big Science Big Fun Show Science Show was a fun show to watch. It had many experiments and it also included some information about Science. Some things we learnt were how electricity works and what liquid nitrogen is.

We saw lots of amazing experiments. One of the experiments included liquid nitrogen. It was a balloon trick where he trapped the gas that was coming out in a balloon. When it popped we had to cover our ears because it was so loud. Another one was how to make big bubbles by using shoe laces, a pipe and a smaller pipe. There was a bunch of other experiments. That was my experience at the Fizzics Big Science Big Fun Show Science Show.

By Dalia 3/4Aqua

Russ the Bus

All of Stage 1 and Stage 2 were invited to spend some time with the author, Leigh Hobbs. Some of Leigh Hobbs books are: Mr Chicken all over Australia, Horrible Harriot, Old Toms holiday, Fiona the pig, Old Tom man of mystery, My Chicken lands on Landon, 4F for freaks.

We went to the hall where Leigh Hobbs presented to each stage. He guided the students to draw Mr Chicken and Old Tom who were characters from his books. Then the students drew boulders which were turned into their own character. The students closed their eyes and scribbled on a piece of paper which also turned into a character. After drawing the students visited the bus and could choose a book to take home.

I chose Horrible Harriot's Inheritance. Leigh Hobbs was outside the bus to sign his books. When Leigh Hobbs signed my book, he put devil horns on Harriot.

That was my experience at Russ the Bus.

2019 Night of the Notables

During Terms 3 and 4, ten students from Year 6 completed an extension research project with Mrs Carruthers and Mrs Morabito. During this time, they had to analyse what makes people 'Notable' and why a select few of our population have made such notable contributions to society that have withstood the test of time. On Tuesday night, 10th December, students presented a bio riddle, giving clues about their lives for the audience to guess who they are. Everyone then moved to the library where their research stations were set up to showcase their work. Congratulations to all of our Notable students!

3-6 Premier's Reading Challenge Surprise

with Miss Malone

This year students from years 3-6 who completed the Premier's Reading Challenge (PRC) were invited to a surprise in the library to celebrate their amazing achievement. To successfully complete the challenge each student had to read 20 books from a booklist and record it online.

The students who completed the challenge gained a seat at Miss Malone's 'Library Café'. Students received their PRC awards, enjoyed some snacks at the café and took part in a game of Dr Seuss bingo and library trivia.

A huge congratulations to the following students who completed the Premier's Reading Challenge for 2019. What an outstanding achievement!

Miss Malone

3 Silver—Deja, Tatiana, Natu

3/4 Aqua—Gizelle, Sera, Mirna, Tanish, Carmelo, Justin, Annabella, Zayne, Onaleah, Dalia, Monica, Zara, Muhammed A, Lyn, Mya, Calvin, Joshua, Zahra, Jana, Amal, Wassim, Reem, Haydar, Isaac.

4 Ruby—Abir, Iesha, Sia, Nu, Ameliyah, Zara, Shyna, Ellena, Israa, Elana.

K-6 Lime—Owen.

5 Teal—Ali, Salatiel, Jaydon.

5/6 Cyan—Jayda, Nooralah, Chadi.

6 Magenta—Xanthe, Henry.

5/6 Purple—Moustafa, Amir, Syriaya, Mohammed, Yaseen, Sara, Hayley, Nivin, Shayda, Jihan, Abdulrahman, Bilal, Wotan, Ahmed.

SPORTS REPORT

Mixed Newcombeball Season 3

Wow what a season! Even though we had a few missed games, mixed newcombeball season 3 saw some new faces join the team!

We won some, and lost some but in all the games, all our players showed sportsmanship and improved catching and passing skills. They worked well together and supported each other when rotating, passing and understanding the rules. I can happily say that they are all MVPs and I couldn't be prouder!

Thanks to all that participated in the mixed newcombeball senior and junior teams of season 3!!

Miss Pham

Senior and Junior Girls Basketball Teams

Congratulations to our senior and junior girls' basketball team this season. Although this season was shorter, the girls demonstrated the ability to learn, play a new sport cooperatively and compete amongst other local community schools.

Their fundamental basketball skills had improved exponentially during this season; dribbling, passing and shooting. It has been an enjoyable and exciting experience coaching both teams. Thank you to parents who came and supported the students during training and game every week. I wish everyone a lovely Merry Christmas and safe holiday.

Mr Tran

Gold Party 2019

This year we had record numbers of students attend the Gold Party. This achievement reflects the outstanding commitment to learning demonstrated by students every day and the dedication of families and staff in supporting student behaviour and wellbeing.

This year, students cast votes to decide the venue and activity for the Gold Party. Students from K-2 went to Monkey Mania and year 3 to 6 visited Zone Bowling and Laser Skirmish in Liverpool. Everyone had a great day and it was wonderful to see the students celebrating all their achievements.

Congratulations to all the
Gold Award winners!

Cooking with 3-6 Yellow

Throughout the year 3-6 Yellow have been cooking up a storm. They have worked hard to achieve some delicious meals. From Tacos to Jelly cups, Pancakes to Anzac Biscuits and many more dishes along the Way. We might have some very great “Chefs” in the making.

Art Therapy with the Support Unit

In Term 4 the Support Unit had the pleasure to participate once a week in Art Therapy.

The students worked on materials to create different artworks using water colours over wax drawings, building clay objects and creating colourful masks. Each class enjoyed their time

SADLEIR PUBLIC SCHOOL ENROLLING NOW KINDERGARTEN 2020

Every student
is known,
valued and
cared for

All children make a

Saturday –Sunday

CLOSED

Our uniform store is open every Tuesday and Thursday from 8.30am to 9.00am. Orders can be made with the office staff outside these hours for pick up at 3pm on any day.

Our uniform store will be open each morning for Kindy parents in week 1 and 2 of 2020 .

Lupco Fashions is our distributor and all uniforms can be bought direct 5 days a week.

Remember:

Sizes may sell out and need to be reordered, so get in early!

Playgroup

**Merry Christmas
and
Happy Holidays
from Playgroup**

Community outing to **SHELLY BEACH**

Community Thank You Afternoon Tea

Thank you to all of our amazing parents and community members that have donated their time to volunteer within our school and classrooms throughout 2019.

You mean the world to our school and especially our students. A big thank you to 5 Teal who created beautiful succulent gifts for our parents.

New Additions to our Bush Tucker Garden

Our bush tucker garden gained three Kangaroo Paw plants this term, kindly donated by the Murphy family. The boys planted the new additions with the help of our GA, Mr Lowe.

Peer Leadership Groups

In our last Peer Leadership Groups session for the year students discussed how to have fun and stay safe during the upcoming summer holidays.

Groups brainstormed ideas about how students can have fun and stay safe, particularly when they will be *in the sun, near roads, around water, while using technology and when around people they do not know.*

Have a fun holiday everyone and remember to stay safe.

christmas raffle!!

Congratulations to all of the P&C Christmas Hamper Winners.

Thank you to all of our family and friends that took part in supporting our Christmas Raffle and making it a successful event.

A BIG thank you to our sponsors and everyone who donated towards our raffle.

THANK YOU

***For all of your support
throughout 2019***
