## Principal Report

Dear Parents and Carers

### Bookweek

This year’s Bookweek activities were a great success with children and staff having a great time dressing up as book characters. A big thanks to all parents who came along to the events. Hundreds of books were purchased at the book fair. Special thanks to Miss Malone for organising the week and ensuring that our library has a great range of new titles for students K-6 to read.

### Preschool

Sadleir Public School has one of 100 government preschools offering programs for children the year before Kindergarten. Miss Dixon and Mrs Foat are early childhood trained educators. They plan and implement programs to nurture a child’s self esteem, wellbeing and development.

The preschool program is designed to stimulate children’s skills in:

- thinking
- communicating
- investigating
- Exploring
- problem-solving

Children are encouraged to join in physical activities and develop good health and safety habits. Programs include play-based activities that help children learn how to interact positively with other children and to recognise and accept their own feelings and those of others. They also develop early language, literacy and numeracy skills.

Our preschool operates during school hours (9:00am – 3:00pm). Enrolments for 2020 are now open.

### Preschool Playground Update

You may have noticed that the preschool playground has been closed for some weeks. Unfortunately we were not satisfied with the quality of recent improvement works. The department is working with the contractor the rectify the issues as soon as possible.

### Afternoons at the back gate

Approximately 40% of students leave via the back gate every afternoon. After lengthy negotiations the council have acted to improve road safety by removing the truck parking area, installing a wombat crossing and turning Quadrat Lane into a one way street. A teacher assists the safe exit of children every afternoon. One of their roles is to ensure no child remains at the gate after 3:15pm. If you are running late to pick up please contact us on 96078201. Children waiting at the gate after 3:15pm will be walked to the front office.

# Reading is my **SECRET POWER**

CBCA Book Week  
17-23 August 2019  
#CBCA2019

Each year in August, the Children's Book Council of Australia brings children and books to celebrate the CBCA Book Week. During this time, early learning centres, schools, libraries, booksellers, authors, illustrators and children celebrate Australian children's literature. It is an annual celebration that encourages children to connect with books and reading on a fun, personal level. Numerous studies have shown that reading books to and with children deepens your bond, while also fostering a love of learning and reading books for pleasure. If a child sees a loved one enjoying books, they're more likely to associate books with enjoyment. We believe that Book Week is truly a special time. The week-long celebration of literature sends a powerful message to children—and adults—across Australia; reading is vitally important and books are worthy of being cherished.

This year the Children's Book Council of Australia Book Week theme is **"reading is my secret power"**. Stories are powerful. The ability to read opens up the magical world of stories where the wondrous, impossible and magnificent can happen. The secret power of reading even leads to the secret power of writing.

Thank you to all parents and caregivers who attended, and spent time engaging with your children about a book character for our parade and the book fair. This year our book fair sold \$3 647 worth of books, posters and stationary. This is a **new record** for Sadleir Public School. Our school library receive 40% of these sales to go back into our library's purchases.

A **huge thank you** to all School Learning Support Officers, teachers, and the executive team for eagerly celebrating such an important week for authors, illustrators and children across Australia.

Happy Reading,  
*Miss Malone*

In term 3 week 2, Stage 3 students at Sadleir Public School attended an excursion to Canberra for two nights. Students participated in a variety of educational programs with a focus on Australia's history, culture, heritage and democracy. Students visited many attractions and landmarks during the camp. Attractions included new Parliament House, The Australian War Memorial, and the High Court of Australia, the National Museum of Australia, Questacon, the Australian Institute of Sport and many more.

The Australian Government recognises the importance of all young Australians being able to visit the national capital as part of their Civics and Citizenship education. Sadleir Public School would like to acknowledge the Australian Government for their contribution of a \$20 subsidy through the PACER program, which reduced the cost for each student to attend the excursion.

Students in photography club are having a fabulous time every Thursday afternoon. They are given a theme each week to practise their photographic skills in the playground with the school iPads. Towards the end of every session, students return to the club and showcase their photographs to their peers for feedback.

## Open Day **K-6 Red**

K-6 Red has enjoyed being very busy with Science Week, Open day and Music Therapy sessions. During Science Week, K-6 Red made ice-cream with Ms Dixon. We shook milk, fresh cream and vanilla extract in a bag within another bag of ice cubes. We took turns shaking the bag of ice until all the ingredients mixed altogether and solidified into yummy ice-cream! During Open Day, K-6 Red enjoyed having visitors join in with our STEM project. We used cardboard, straws and lots of sticky tape to form a maze. We then rolled a marble through the maze from a START point towards an END point. It was terrific fun to see the marble roll through our tricky maze! Adrian is our Music Therapist. We sing and make wonderful music with all sorts of percussion instruments. We look forward to our sessions every Tuesday.

# Guiding your child's behaviour

## FREE INFORMATION

Sadleir Public School in partnership with Families Together invites mothers, fathers, carers and grandparents with children up to the age of 6 to this information session presented by

**Briget Gurton**  
**Forensic Psychologist**  
**Kids Konnect Psychological Services**  
**B.A. (Hons) Psychology**  
**M.Psychol (Forensic)**

It is normal for children to behave in ways that are challenging for their parents. How children are feeling affects the way they behave. As they grow up children learn what good behaviour is and how to control problem behaviour through their interactions with their parents and those around them. However, at times this can be hard for parents to manage.

This session aims to promote positive parenting through behaviour guidance and reduce the stress associated with raising young children aged 0-5 years.

Topics include

- Understanding some of the causes of challenging behaviour
- Skills to help you manage your child's behaviour including rules and basic behaviour management strategies
- What behaviour is normal
- Understanding the behaviour escalation cycle
- Understanding what may be maintaining challenging behaviour

# SPORTS REPORT

## PSSA Newcombeball Season Wrap up

It has been a pleasure coaching the mixed Senior and Junior Newcombeball teams for Season 2 of P.S.S.A. I am extremely proud to have worked with talented students who have strived for success in every game.

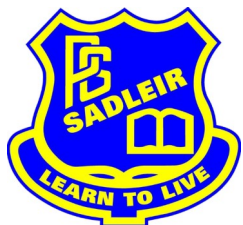

The seniors were fierce competitors, showing great courage and determination in the way they played as a team. They were outstanding and should be extremely proud of their efforts. The senior team were undefeated and won all games. Congratulations Season 2 Premiers: Wotan, Bella, Tiki Hira, Maysa, Rose, Esky, Jaydon, Suraiya, Bilal, Mohamed, Chadi, Salatiel and Abdulrahman.

I am so proud of the junior team for their commitment and dedication to each game played. Throughout the season, their passing and catching skills improved greatly. We came third out of ten teams which is an enormous achievement as some of the players were new to Newcombeball. You held your own against many teams that have played together previously and you should hold your head high and be proud of your achievements this season! Well done to the following students: Brayden, Carmelo, Daniel, Mohammed, Joshua, Mohamed, Kruize, Tatiana, Israa, Ameliyah, Iesha, Zakaria.

Season 2 coach:  
Miss McAlister

Our Healthy Eating promotion in Term 3 is "Eat Fresh and Win" run by Sydney Markets.

Bring a piece of fruit or veggie for fruit break each day and grab a sticker. Collect 2 stickers, fill out your card and bring them to Mrs Shashati to claim a scented stamp marker. There are 7 to collect and we will be running the promotion until they are all gone, so get in quick!

# SADLEIR PUBLIC SCHOOL'S COOKBOOK 2019

Our Sadleir cookbook is almost finished! However, we still need a few more recipes and name suggestions so we can get it printed and out to all our Sadleir families.

Send in your favorite recipes, savoury or sweet. **We would love to have any recipes from our students, who love to help in the kitchen at home.** They can be the simplest of dishes, salads or smoothies and for every recipe that goes into our cookbook, our student will get a hand painted “**MINI BOOS**” collectible.

Suggest a title for our cookbook and get a “Super Zings” from series 1.

The student with the winning title will have their name in the credits, on the inside of the book’s cover.

We encourage all families to take part in this memorable event and be a part of Sadleir Public School’s community history. If anyone has any questions, please see me in the Community Room or contact me direct via email.

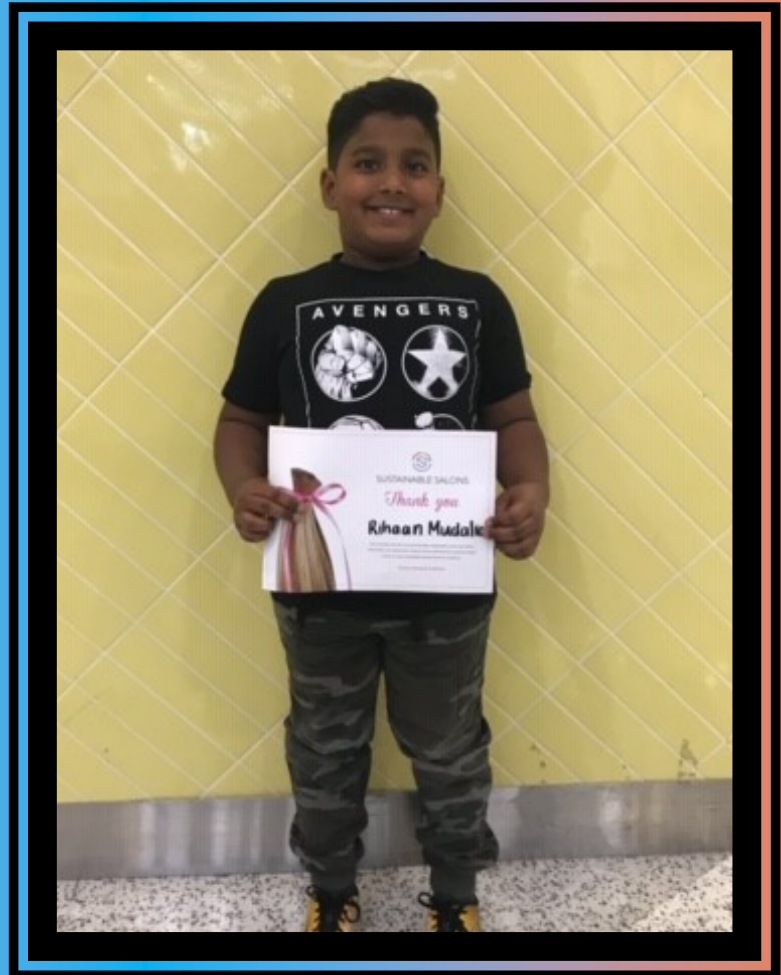

Thank you for all your support.
