- Thursday 16th
December - Students
last day of school

2022

- Friday 28th January—
Teachers return to
school
- Tuesday 1st February—
STUDENTS return to
school
- Thursday 3rd February—
Kindergarten students
start school

Principal Report

Dear Parents

The 2021 school year ends today. It's been an extraordinary year for all of us and I pay special thanks to you all for supporting your children and your school with care, generosity, and patience. Our P&C has been outstanding in difficult circumstances, maintaining links and communication and Mrs Shashati, our CLO has worked with local agencies to support families through the year.

We are proud of our students and that we were able to run the home learning weeks by allocating hundreds of computers and iPads. All students were able to engage in home learning, many with skill, dedication, and enthusiasm.

Thanks to our fantastic teachers and SASS staff who turned their homes into classrooms. Thanks to our office staff led by Mrs Dean and our executive team of Mrs. Carruthers, Mrs Hogg, Miss James, Mrs Thomas, Mrs Duricic and Mrs Morabito for supporting me during the year.

Last Tuesday night we farewelled our Year 6. We wish them well and have confidence that they will succeed at high school and beyond. I wish you all a lovely Summer break and look forward to seeing you all back on site next year.

Kind Regards,

Matthew Ralph

CLASS OF 2021

Year 6 Farewell

CELEBRATE!

SUMMER READING challenge

Jump on the Liverpool Library website for information!

Welcome!

Are you ready to take the Summer Reading Challenge?

If you haven't already and would like to participate, scan the QR code below to register.

SCAN
HERE

What's the challenge?

We challenge you to read for at least 20 days over the summer, and if you're over six years old, to draw, write and interview someone.

We challenge you to do as many activities as you can before 4 February 2022.

This summer is the perfect time to read more and read often

Reading is like playing a sport. If you don't train regularly, you'll find it harder to play your best. In the same way if you don't read often, you'll find it harder too. Over the school holidays is a perfect time to strengthen your reading skills.

Enter to win great prizes

This year we'll have two prize draws:

- One prize for 0-5-year-olds; and
- One prize for 6-12-year-olds

You can enter to win by filling in one or more of the entry pages. For participants aged 0-5, we recommend just completing the reading log. For participants aged 6-12, we recommend completing the reading log plus ANY of the additional challenges such as the drawing, writing or interviewing challenge. Return it to your local library by 5pm, 4 February 2022.

Challenge yourself by reading different genres, authors and types

Try something new this summer – it could be an audiobook, a graphic novel or a different author. We've also created lists of great books in the mystery and detective genre, but you can read anything you like.

Happy
SCHOOL
Holidays!
