- **Playgroup** is on every Wednesday at 9am.
- **NOTE: There will be NO playgroup on Wednesday 23rd of June**
- **PSSA Sport** is on every Friday.

Principal Report

Student Parliament 2168

On Wednesday I had the pleasure of attending the semester 1 sitting of the 2168 Student Parliament at the Liverpool council chambers. The parliament ambassadors included the mayor of Liverpool, Wendy Waller and our local federal member Anne Stanley. Zara was one of two student chair persons and did a fantastic job. Carmelo and Amelia both gave very articulate speeches focusing on poverty in the Liverpool local area. Thanks to parents who attended as well as Miss Tran and Miss Walmsley for their support.

A.E.C.G Meeting

Last night a number of Sadleir PS staff members attended a 'Walking Together, Working Together' professional learning session that was run by the Liverpool A.E.C.G. The training was very powerful and worthwhile and reinforced the importance of our community consultation.

Needs Based Funding

Our school receives need based funding that can be accessed to support the purchasing of uniforms and payment for school activities such as camps and excursions. No student should miss out on a valuable learning experience due to financial difficulties. Please contact me at school if you would like any information.

Hall

Special thanks this week to 6 Olive and 4 Sage. Students from these classes have provided some outstanding work that is now displayed in our hall.

Traffic

Local traffic rangers are currently visiting our school in the morning and afternoon to monitor parking.

Such amazing workers in K Blue!

6 MAGENTA

In 6 Magenta this term we are learning about Drama in Creative Arts. Students use movement, voice and the elements of drama to sustain dramatic roles in a range of contexts. They devise and perform a range of drama forms for audiences.

Students are developing skills in playwriting, role-playing and other situations. They are exploring dramatic forms such as improvising, movement, storytelling and video drama.

Students have formed groups of 4 to make a short film containing an original storyline and showcasing their writing, directing and acting ability. Groups will also gain experience in filmmaking and editing.

At the end of the term we plan to showcase the wonderful work students have done with a film festival. We will sit down and enjoy the films, eating some popcorn and a prize will go to the top group.

K-6 Lime

Last week Ranger Jamie came to visit the Support Unit here at Sadleir. We learned about water pollution and what human products are harmful to our ocean. The students were able to put some sunscreen and some oil onto their hands and then dip them into water to see if it dissolved.

We discovered that sunscreen does pollute the water if you go straight into the water. You need to wait 15 minutes after applying sunscreen, before you enter the water. We also learned that oil and water don't mix at all and that it is best to put your cooking oil into your garden. We also had a look at some Australian animals.

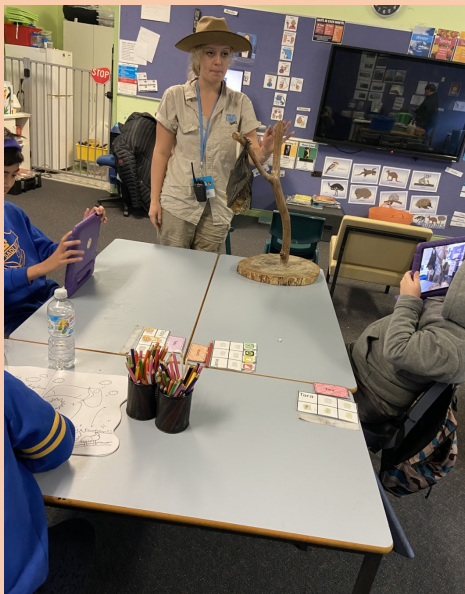

K-6 Peach

Last Thursday all the Support classes including K-6 Peach had a visit from Rangers Anika and Tristan. The students explored the natural and human features of places and investigated the ways people interact and care for places. Some of our buddies from 5 Teal came along as well.

Learning and Support

Thursday 3rd June

SPORT

District Cross Country

On 25th of May 21 of our students represented Sadleir at the district cross country. The students had to tackle a mammoth of a course with students 8, 9 and 10s tackling 2km and 11, 12 and 13s taking on the 3km course. Students were amazingly behaved on the day and showed exceptional school spirit as their school peers completed laps of the course.

Four of our students had top 10 finishes with Haydar Taha and Zara Youssef now representing our district at the Sydney South West level and Humzeh Abdul Karim and Aya El-Boubli reserve runners. Congratulations to Haydar by becoming the first student in years to finish the race 1st.

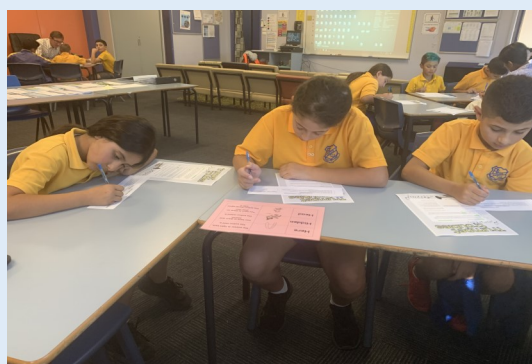

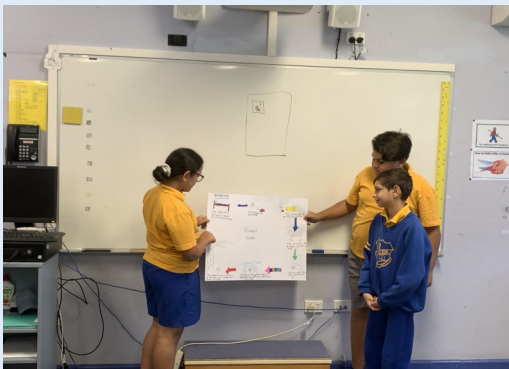

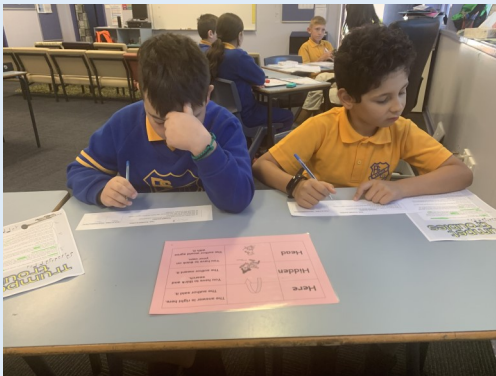

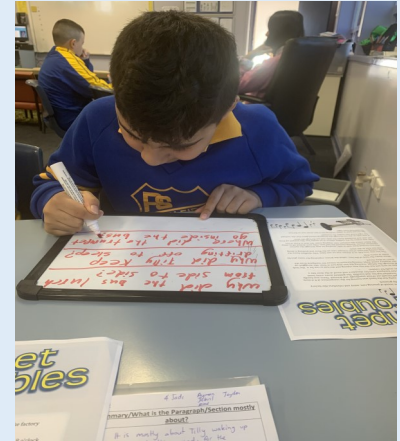

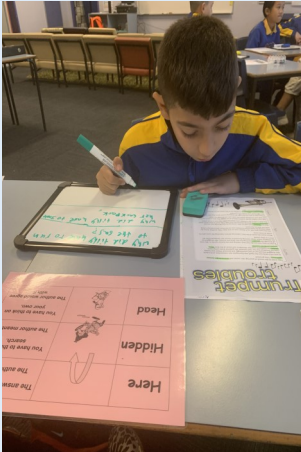

Zara and Haydar will be representing Greenvalley PSSA on Wednesday the 9th of June. Good Luck!

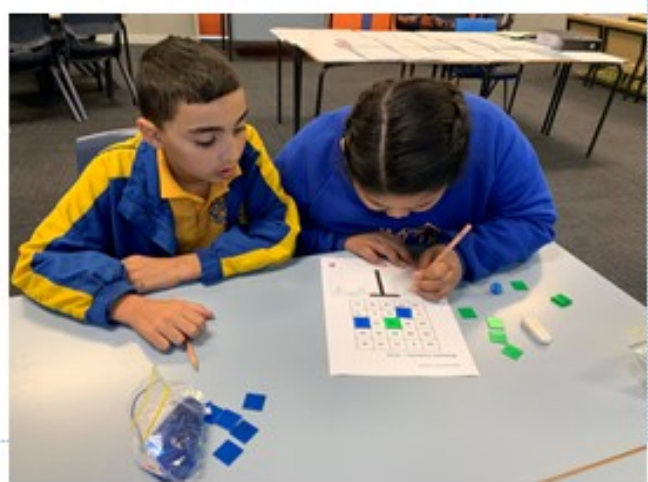

Covid Support

This term the Covid Intensive Support Team have been working with all students from Year 4 as well as a targeted group of Year 6 students. We have been focussing on literal and inferential comprehension skills in English and learning Multiplication in Mathematics. Students have worked really hard this term and have shown great improvement in these areas.

Saddleir PS Messages

Lost Property!

Lost property has been moved to the Community Room. There is a basket of uniforms and other items on the bench that have lost their owners. A reminder to put names on all items of clothing and lunchboxes so that they can be returned if lost.

Cold cold cold!

Winter has definitely arrived! Reminder to wear your jumpers and winter clothes so you can stay nice and warm at school. Uniforms are available at the office.
