Principal Report

Dear Parents and Carers

In week 2 Stage 3 students went to the Berry Sport and Recreation camp for 3 days and 2 nights.

I was lucky enough to spend some time at the camp. Our students were fantastic, participating in activities that they may not have tried before such as orienteering, archery and kayaking.

Camps like these absolutely bring out the best in Sadleir students. They were kind, helpful and responsible and showed good manners, problem solving skills and a willingness to try new things.

Families should be very proud, as I was.

Next year Stage 3 will be off to Canberra and the Snowy Mountains while an overnight trip to the zoo is being planned for Stage 2. These experiences really build confidence and knowledge of the world and build great friendships and memories. The school is able to offer financial assistance if required.

Regards

Matthew Ralph

What have our children been doing in the maths project?

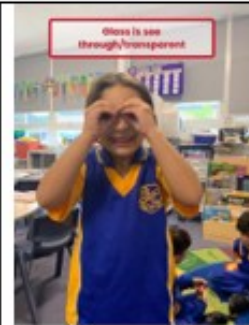

Students in the pre-school, Kindy, Year 1 and Year 2 classes have been learning about science and maths ideas as part of a project with the University of Sydney. To help with this learning, students have been drawing, tracing, and using hand and body movements to share their thinking. Here are some photos from a few of the lessons our teachers have been teaching.

STAGE 3 CAMP

In Week 2, Stage 3 went on a 3 day and 2 night camp to Berry Sports and Recreation Centre. We did a variety of activities such as kayaking, cooking damper in the bush, paint/water balloon, archery and Rogaining. Each day we had six meals including breakfast, lunch, fruit break, dinner, dessert and lastly supper. We ate in the dining hall for all meals except lunch, fruit break and supper. Finally, it was time to go. We all had such a memorable time at camp!

Garden club has enjoyed some spring planting of herbs, veggies, and passion fruit. A MASSIVE THANK YOU to **G&M Property Maintenance** for the donation of soil for our garden beds, **Camden Men's Shed** for the donation of 2 wicking bed greenhouses and **Peter Dawe of Botanical gardens** for bringing it all together.

P&C Fundraising
Event
Week 4

Our P&C "Sweet 'n Savoury" day was a huge success! Thank you to all the volunteers who assisted with the preparation and of course thank you to all the families who supported our event and enjoyed the yummy treats we had on offer. We raised approximately \$600 in profit which will go towards our school projects and supporting our student learning outcomes.

THANK YOU

Parent Cyber Safety Information Session

DATE: Thursday 17th November 2022

WHEN: 9am – 10am

WHERE: Connected classroom

WHO: All parents and carers welcome

THIS SESSION IS A MUST FOR ALL PARENTS

As holidays are approaching, children will be online more regularly. The risk of bullying and predators increase, and the damaging effects can last a lifetime. **Liverpool Police** will take us through the online dangers that face your children and what you can do to protect them online. Take home information will be available.

Morning tea will be provided. Babies and toddlers are welcome.
