## Principal Report

Dear Parents and Carers

Last week I attended the district cross country carnival at Smithfield. A freezing wind and long hilly course made the day challenging but our students conducted themselves extremely well and competed with effort and pride. Special thanks to parents who cheered on the group and to our teachers Miss Galbraith and Miss Le for their hard work on the day.

The Community Breakfast and presentation last Friday week was a great success. Sincere thanks to everyone who attended and to Tina Shashati for her organisation and hard work. It was a great event and the award to our community from our Executive Director, Deb Summerhayes was fantastic to receive.

I've included some important information about attendance below.

### Attendance and Absences

Parents of children from Kindergarten to Year 12 must ensure their children attend school every day. On occasion, your child may need to be absent from school. Justified reasons for student absences may include:

- being sick or having an infectious disease
- having an unavoidable medical appointment
- being required to attend a recognised religious holiday
- exceptional or urgent family circumstances e.g. attending a funeral.

Parents must provide an explanation for absences to the school within 7 days from the first day of any period of absence. Where an explanation has not been received within the 7-day timeframe, the school will record the absence as unjustified on the student's record.

Regards

Matthew Ralph  
Principal

# Action Plans

Dear Parents,

To ensure we meet all needs of our Students at Sadleir Public School it is very important that we have the most current health information on your child.

If your child has a health condition that requires ongoing management, it is very important the school is aware and is provided with the appropriate health management information.

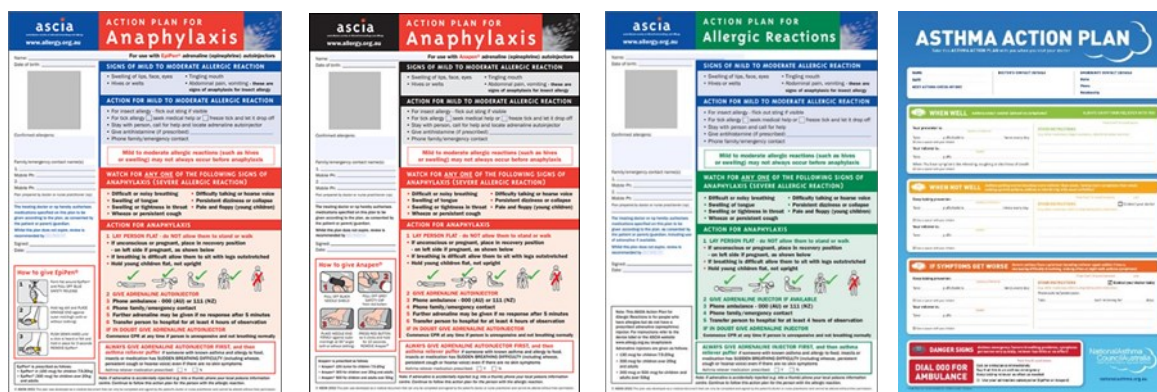

If your child has any of the below conditions:

- \* Allergic Reaction
- \* Anaphylaxis
- \* Asthma

Individual Actions Plans for the above health conditions are mandatory and must be supplied by the students parent or caregiver to the school.

The plans must be developed, signed by your doctor, printed in colour and provided to the school via the front office every 12-18 months.

Your child's Individual Action Plan provides the school with crucial and current clinical information and key actions that will allow the school to provide your child with appropriate health care needed.

If you have any questions, please contact the front office on 9607 8201.

Kind regards,

Mr M Ralph

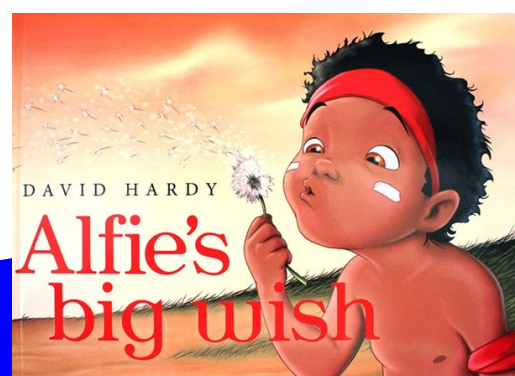

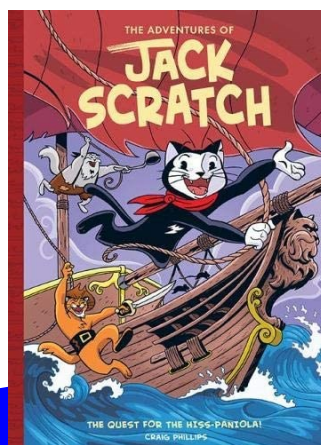

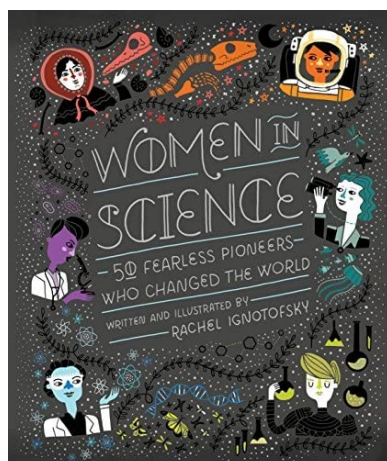

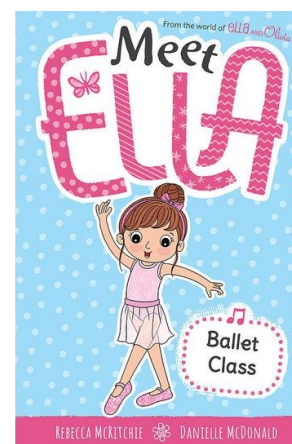

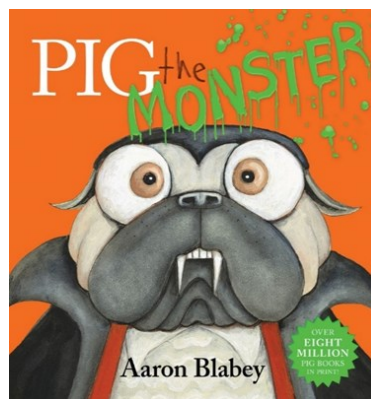

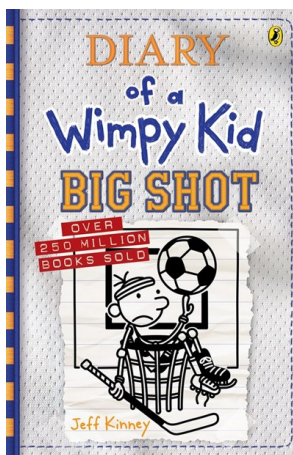

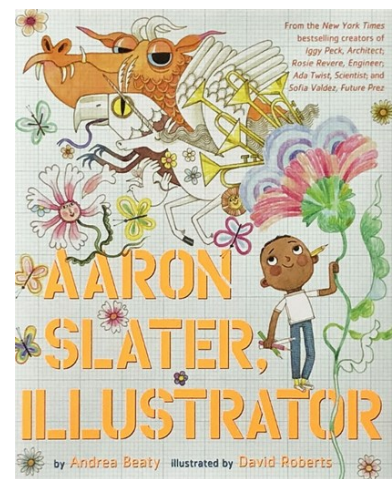

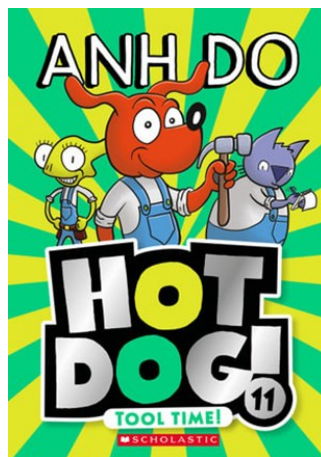

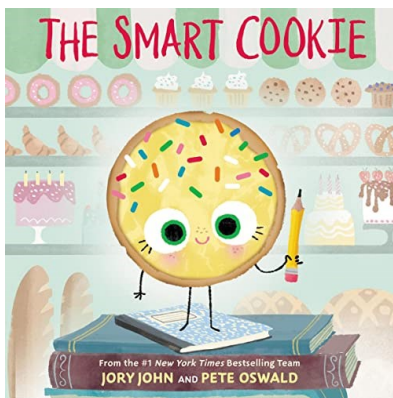

## New Books in Our Library!

Students can view the new books from the 'new book' stand in the library. They must reserve any new books through Oliver Library via their Student Portal. This will secure their place to borrow the book once it gets off the viewing shelf.

Miss Malone (Teacher Librarian)

# National Simultaneous Storytime

National Simultaneous Storytime is held annually each year by the Australian Library and Information Association (ALIA). Each year a picture book written and illustrated by an Australian is selected to be read simultaneously in libraries, schools, childcare's and homes all over the country and world.

This year all classes Kindergarten to Year 4 read 'Family Tree' written by Josh Pyke and illustrated by Ronojoy Ghosh at Sadleir Public School. Classes had the choice to listen to the story via a live video of the author himself Ronojoy alongside the illustrator Josh or have the story shared by their teacher. The story had several themes entwined throughout its storyline, these included; family, community, diversity, exploring the world and seasons of life.

Miss Malone (Teacher Librarian)

# 2022 Library Leaders

It is our pleasure to announce the 2022 library leaders for Sadleir Public School;

## Year 5

Danny T (5 Sage)

Jonothan N (5 Sage)

Mona D (5 Sage)

Amalie E (5 Sage)

Samia M (5 Teal)

Ayah E (5 Teal)

## Year 6

Steven A (3-6 Emerald)

Carmelo S (6 Olive)

Maliah H (6 Olive)

Lilly T (6 Olive)

Serene K (6 Olive)

Liliana R (6 Olive)

Linda G (6 Olive)

In Week 5, Thursday 26th August the new library leaders underwent a training session for their role in the school library. The leaders jumped straight into organising their rostered lunch duty and the responsibilities that are aligned to their selected day. They began learning and familiarising themselves with the different collections in the library and how to correctly shelve the books. Students worked together to build their knowledge of the circulation desk and how to use the scanner to loan out and return books.

"I cannot wait to work alongside the library leader team this year. Each student in the 2022 team brings their own set of skills, ideas and passion to enhance and develop our library even further".

Miss Malone (Teacher Librarian)

## District Cross Country

Last Thursday Miss Le and Miss Galbraith took 23 students to District Cross Country at Brenan Park, Smithfield. All students proudly represented Sadleir Public School and tried their best. Congratulations to all of these students on their amazing efforts and sportsmanship.

# 6Olive's Art Gallery

6Olive have been learning about the art styles of different artists. Check out our amazing artworks inspired by Vincent Van Gogh, Bronwyn Bancroft, Keith Haring and Jackson Pollock.

# **K-6 Amber**

**This week we have been looking at volume and capacity in K-6 Amber. We used different items from around our classroom and made predictions about how many we might need of each item. We were pretty close with some of our predictions.**

**We used cushions, books and balls to see how many it would take to fill a plastic container. We discovered it took a lot of books because they are flat but not as many balls because they are round and take up a lot more space!**

**Kindergarten have been working on matching their 2D shapes. We love matching games in K-6 Amber.**

## AFRICAN DRUMMING PERFORMANCE

Students in KSaffron, KOrange, KYellow, 1Aqua, 1Navy, 2Sapphire and 2Cobalt attended an African Drumming Performance where teachers and students got to play drums and participate in a very entertaining performance. Thank you to Mrs Phillips who organised the incursion.

On Tuesday 31<sup>st</sup> May Tuza came to do a performance of African Drum Beats. He started saying some African words and played the drums at the same time. After that Tuza shook his bottom to the beat. Then he let the students and the teachers play different drums in three different groups. We really enjoyed playing the drums. By 2Cobalt

# UPDATE

Tina Shashati  
Community Liaison Officer

*thank you!*

Our Community Kitchen is well underway! It is located in the Community Room (next to our preschool) and will be used for Breakfast Club, student and parent cooking classes, community workshops and events.

A MASSIVE **THANK YOU** to our incredible **P&C** who will fit out our kitchen with all the appliances we need including fridge, dishwasher, oven, cooktop, range hood and even the kitchen sink!

This week, our Student Garden Club, together with Clíodhna and Peter Dawe from Australian Botanical Gardens, created Stage 1 of our sensory garden, constructed part of our garden entry and learnt how to transplant plants. Later this week, we will start decorating old tyres that we will use for our butterfly garden.

# Community Families Breakfast

Our Community Families Breakfast celebrated our amazing Sadleir families, volunteers and our Certificate of Excellence awarded to our school community from Deb Summerhayes – Executive Director - School Performance Directorate.

It is always special when we come together and recognise what an incredible community we are.

Our community spirit and support not only encourage our student's learning but also makes our school a very special place to live and learn.

# PARENT EXCURSION

**WHERE:** Australian Botanical Gardens - Mt Annan

**WHEN:** Thursday 23rd June

**COST:** \$10

**TIME:** Leave – 9.15am Return – 2pm

**TRANSPORT:** Coach

Join us on our first parent excursion of 2022! We will be travelling to ***The Australian Botanic Gardens*** in Mount Annan for a train tour of the largest botanical garden in Australia, with a collection of over 4000 species. We will then meet up with **Peter Dawe** who is a regular visitor to our school, where he will show us some hidden gems of the garden. Finally, time for some lunch, a chance to relax and a bit of fun together before the return to school.

If you are interested in securing your place for this excursion, email [tina.shashati5@det.nsw.edu.au](mailto:tina.shashati5@det.nsw.edu.au) Notes will be sent out soon.

**NOTE:** The date has changed to a week earlier due to tour availability.
