### **Dear Parents and Carers,**

#### Approaching Other Children

Recently we have had a couple of cases of parents and/or carers approaching another person's child at school. This is not permitted. If you have a concern or an incident has occurred I ask that you report it to me or a member of our executive team as soon as possible. It is absolutely reasonable to feel upset when your child has been hurt but approaching other children is never OK.

In extreme circumstances and where behaviour is inappropriate the Inclosed Lands Protection Act may be applied.

#### P&C Fair Day

A big thanks to the P&C for putting on a fantastic fair day last week. Everyone had fun and the day was expertly organised and run. Thanks to all the great volunteers who gave up their time for our students.

#### Stage 2 Camp - Zoo Snooze

You'll be able to look at some great animal shots taken during the evening at Taronga Park Zoo in this newsletter. The tigers seem to have been one of the most popular attractions. Students were very well behaved and all had a great time. Thanks to Miss James and the team for providing the wonderful zoo sleepover experience for our students.

#### Kindergarten 2024

Our kindergarten numbers for next year are quite low. If you have a child who is turning 5 before 31 July 2024 and you have not enrolled please contact the school as soon as possible. If you have neighbours with young children, please encourage them to enrol at our school. Please speak to Mrs Duricic if you have any questions.

#### Leave

I'll be taking leave for a month from next Tuesday. I'm going on a family holiday but will be back at Sadleir before the end of the year. Miss Chew will be relieving in my position while I'm away.

Regards

## From the Office

### We are now taking enrolments for 2024!

If your child turns 5 on or before the 31st of July 2024 you can enrol them into **Kindergarten** for 2024. The Education Act 1990 mandates that all children must be in compulsory schooling by 6 years of age. If your child turns 4 on or before the 31st of July 2024 you can enrol them into **Preschool** for 2024.

The department is committed to providing high quality education to all students enrolled in NSW government schools. The department makes reasonable adjustments so students with disability can apply for enrolment on the same basis as students without a disability.

In enrolling a student, the department determines if there is a need to provide additional support for the student, including assessment of:

- health, safety, and other risks arising from the student's past behaviour
- any disclosed wellbeing needs of the student
- any adjustments for students with a disability
- any history of [unsatisfactory attendance](#) (when the student has been enrolled in another school)
- any disclosed health needs including whether or not the student has previously required an emergency response

- any disclosed learning needs and other special circumstances (such as whether the student was bullied at a previous school).

Please drop into our office and enquire about enrolments for 2024 or call us on (02) 9607 8201.

## 2024 Students Not Returning

### Stage 2 ZooSnooz

On our camp we went on the ferry all the way to Shark Island. We played on the massive park at Clifton Gardens and that was amazing. Then after the ferry we went back to Olympic Park and the bus took us all the way to Taronga Zoo. We saw the animals then we went to our tents and after that we went to have dinner. After dinner we had ice cream on the night safari then we got scared of the lions because they crept up on us then jumped near the glass. It was fun but scary. We went to bed late! We woke up to the birds screaming and I was very grumpy. We went to breakfast, and it was amazing but I kind of had a bit too much breakfast. After a couple of hours Miss James got us Dominoes pizza which was delicious. Then we went on the bus and went home.

On the first day of the Stage 2 camp we went on the ferry all the way to Sydney Harbour. We saw Goat Island and Shark Island on our way. We stopped at Shark Island. When we arrived at Olympic Park, we went on the bus all the way to Taronga Zoo. At the zoo, we saw all different types of animals and it was so much fun. I was so excited that I didn't go to sleep on the bus. At nighttime which was called the night safari walk we saw lions. We even heard animals at nighttime too. We had dinner there and breakfast. At nighttime I was so tired that I wanted to go to sleep badly but the other tents had so much energy. We went to sleep at 10:30 but at eleven o'clock we heard Kookaburras and the lions making noise. All of the animals were awesome. In the morning, we visited some more animals like giraffes, zebras and cockatoos and then we had breakfast. We spent the rest of the day in the zoo.

The camp was amazing!

We started going on the ferry and we made our way to Shark Island. We got off and went for a walk and looked at the beautiful view and took photos. We got back on the ferry, and we had to do a worksheet. We went to the park at Clifton Gardens. It was really big park with an incredibly enormous slide. After we ate our lunch, we went back to Sydney Olympic Park. The bus took us to Taronga Zoo then we got a tour of the massive place. We went to our tents and set them up for bed and did an activity. We released a possum and then we went for a walk all the way back to our tents and slept. I didn't know that the animals would wake me up at 4:30 am! We packed up and went for breakfast then spent the rest of the day at the zoo.
